

Product Specification

Regulator 627R-657

Direct Operated Regulator: **627-1217-28856**

Type: **627R**

Body Style: **Std**

Valve Size: **NPS 1**

Body Material: **Ductile Iron**

NACE: **No**

Service: **Std**

End Connection: **NPT**

Orifice/Port: **1/2 Inch (12.7 mm)**

Trim Material: **Aluminum**

Main Spring: **5 to 20 psig**

Spring Case Material: **Ductile Iron**

Diaphragm Material: **NBR**

PTFE Protector: **No**

Disk Material: **NBR**

Lower Casing Construction: **Not tapped**

Lower Casing Registration: **Internal**

Body Spring Case Orientation: **Pos 1**

Spring Case Vent Location: **Pos D**

Pressure Gauge: **No**

Spring Case Tapping: **3/4 NPT Vent**

Lower Casing Throat Construction: **Internal relief and open throat**

Customer Special: **Not App**

Rating: **Not App**

BWE Schedule: **Not App**

Spring Part Number: **10B3076**

Spring Color: **Yellow**

DVGW Approved: **No**

Approximate Shipping Weight(each): **10 lbs (4,5 kg)**

Supplemental Attribute: **Not App**
